

Find a Grave Day

HELP TO DIGITALISE DARWEN CEMETERY

Meeting at the Cross of Sacrifice located in Darwen Cemetery

SATURDAY 22ND JUNE 2024

10:30AM - 1PM

FRIENDS OF DARWEN CEMETERY

OUR AIM IS TO HELP LOCATE GRAVES IN A MORE MODERN WAY!

Want to locate a grave?

If you wish to locate a family grave or someone you know, then let us help you find that grave and make it digitally available to locate in the future. Bring details of the grave and we will do our best to help you.

How does it work?

Using a public domain app 'Find a Grave', graves can be added from a smart mobile device to the app which is connected to *ancestry.com*, GPS location can be added to pinpoint the location of a grave once found.

Why digital?

People can often struggle to locate a grave and often are never able to find it even when knowing the cemetery location. Using digital help, we can modernise how we locate graves which will benefit future generations.

Learn about the history.

Ever wondered what all the headstones mean with different designs and types? We have experts on hand to give any needed answers to any questions you may have.

Darwen Cemetery,
Cemetery Road, Darwen.
